Pershore is a place

beautiful.

# The park

The park is a fun place to play because there is a lot of fun equipment. There are also benches to sit on if your parents are not up for playing. The park is open for children of all ages!

## The Skate Park

The skate park is open for all ages as well and is a good place to hang out if you have a scooter or a bike.

# THE TREE SCULPTURE

Tom Harvey carved the tree in 2007 with inspiration from class 4 at both Holy Redeemer Catholic Primary School and Abbey Park First School. We think it looks great!

# THE SMILEY FACE STONE

The smiley face stone is a lovely stone which has been around for quite a long time now.

Some people say that if you touch the smiley stone and make a wish it will come true!

# THE WAR MEMORIAL

The war memorial is a place where services are held to remember those who were once here.

Our school visit the memorial every year on Remembrance Day to pay our respects.

# THE ABBEY

The Abbey is a very important place in Pershore, especially for Christians. Some parts of the Abbey were destroyed by Henry VIII in the Tudor Times but the foundations and Tower survived.

# THE ANGEL

The Angel Inn has been in Pershore for hundreds of years, it used to be a Posting House. Lots of people eat and drink here and some people also do karaoke. The food is yummy!

# Number 8

Number 8 is a Theatre which is ran by the community. Many people come here to watch films and plays. Pershore Operatic and Dramatic Society (PODS) also use it for their singing, dancing and musical shows..
