The history of Malpica do Tejo

- ▶ In 1960, the town had about 3,500 inhabitants (Malpica was in the twentieth century, and still is, one of the largest villages of the district of Castelo Branco). Today, due to the rural exodus, there are about 700 inhabitants living in Malpica (which joins a floating population of about 300 inhabitants).
- ▶ Malpica do Tejo from the beginning of the 50s has been a very rich parish at ethnographic and folkloric level (the Portuguese musician Zeca Afonso gathered many "songs" there such as: Maria Faia, Moda do Entrudo, Jeremias..).
